

A MESSAGE FROM THE PRESIDENT

To our Shareholders, Customers and Employees:

Unaudited results through September 30, 2015 show net income before preferred stock dividends of \$3,612,000. This is an increase of 16.7% over the same period in 2014. As a result our Return on Average Assets rose to .71%. Net interest income increased 3.9% to \$17,611,000, with the increase coming from a reduction in funding costs as well as growth in the loan and securities portfolios. Non-interest income has increased 6.3% or \$168,000 over the prior year, while non-interest expense has increased 3.5% or \$503,000.

We have not added to the provision for loan losses this year, as management and the board are comfortable with the reserve, which is monitored monthly for adequacy. This has contributed to approximately 62% of the increase in net income before preferred stock dividends year over year.

On the balance sheet, loan growth from the prior year stood at \$35,175,000, which is a solid 6.5% increase. Our pipeline looks fairly strong for the remainder of the year and we are hopeful to continue to increase our loan book.

We have increased securities by \$12,180,000, growing the portfolio fairly significantly over the same period last year.

On the liabilities side, we saw excellent deposit growth across the personal, commercial and municipal categories. Those three classes of local deposits grew \$48,522,000 or 12.8% year over year. Brokered deposits were reduced significantly as we elected to increase borrowings from the Federal Home Loan Bank. We have worked hard at deposit growth over the years and are pleased with these results.

Total consolidated equity stood at \$61,904,000. A quarterly common stock dividend of \$.10 per share was paid for the third quarter of 2015.

In September and October at our annual employee appreciation events, we recognized 36 employees for their combined 445 years of service with Katahdin Trust, ranging from five to thirty-five years. We are fortunate to have many talented employees who continue to make vital contributions to our Company.

I would like to congratulate Aaron Cannan on his recent well-deserved promotion to Senior Vice President, Commercial Services Officer. Aaron has over 20 years of experience in the financial services industry and since 2007 has served as Vice President, Commercial Services Officer in the Scarborough office. Aaron will continue with responsibilities for leading and supervising the Bank's business development efforts in the southern Maine area.

We are pleased to welcome Benjamin (Ben) McQuade as a Commercial Services Officer. Ben graduated from the University of Maine, attaining his bachelor's degree in business administration with a concentration in finance. He joined the financial services industry in 2012 at Norstate Federal Credit Union, most recently serving as branch manager in the Presque Isle office. Ben will be responsible for business lending and development in the Presque Isle area.

As always, if you have questions regarding the Company or this report, please don't hesitate to contact us.

Sincerely,

Jon J. Prescott
