

Katahdin Trust Collects Art Supplies for United Way of Eastern Maine's Neighbors United Project

Bangor, ME (4/4/2019) – During the month of April Katahdin Trust, a community bank serving northern Maine and the greater Bangor and Portland regions, is pleased to partner with United Way of Eastern Maine's (UWEM) Neighbors United Project to collect art supplies for local children's programs. The Bank's three Bangor area branches hope to collect as many art supplies as possible to benefit a number of programs that serve children throughout the summer months.

"For more than 100 years Katahdin Trust and its employees have supported hundreds of local organizations through donations, volunteerism and in-kind donations," shared Krista Putnam, Senior Vice President, Marketing. "We are very pleased to be a collection destination for Neighbors United and invite the community to stop by with their donations of art supplies to support local children's programs."

Neighbors United replaces UWEM's former Pantry Project. "Our partner agencies have so many needs and in response to their feedback we expanded our collection efforts to include not only food, but also art supplies, personal hygiene products, and anything else an agency may need to better serve its consumers," explains Meredith Alexander, Community Initiatives Manager.

During the month of April, the community can drop off donations of crayons, colored pencils, markers, construction paper, glue sticks, chalk, coloring books, small and large paper cups, bubbles and more at Katahdin Trust's three Bangor area branches from 9 a.m. – 4 p.m. Monday – Friday and 9 a.m. – 1:00 p.m. on Saturday:

- 52 Springer Drive, Bangor
- 609 Broadway, Bangor
- 57 Western Avenue, Hampden
