

A MESSAGE FROM THE PRESIDENT

Unaudited results for the period ending June 30, 2019 show net income before preferred stock dividends of \$3,965,000, an increase over the prior year of 15.3%. Earnings per common share improved 18% to \$1.05 per share over the same period in 2019. There were many positive contributions to net income, including increased net interest income, higher fee income, continuing solid expense control, and good asset quality requiring moderate provisioning. Earnings for the second quarter of \$2,117,000 represented the best quarter in our history. Return on average assets for the first six months of 2019 was .99%, while return on average equity reached 11.19% for the same period.

Net interest income for the six month period increased \$774,000 or 6.0%. This was due in part to loan growth of \$27,515,000. The loan growth was concentrated entirely in the second quarter of 2019, due to the timing of several transactions occurring in that period. Also, our net interest margin of 3.47% increased 12 basis points over 2018. This pace of margin growth may not continue with current rate pressures, but we will continue to place the highest importance on managing this aspect of our business.

Customer deposits grew \$28.7 million year over year, mainly in the area of money market and CDs as checking balances contracted slightly. Emphasis on building customer relationships that include a full offering of deposit accounts continues to be an ongoing bank-wide priority.

Non-interest income improved by \$220,000 over the same six months in 2018. Two main areas account for the differences. Last year, in Q1, the bank booked nearly \$150,000 in a one-time fee from a Visa contract renegotiation. Second, non-interest income was primarily similar among most other categories this year, with the exception of back swaps revenue of \$369,000 in the second quarter of 2019. Non-interest expense remained manageable at a 3.1% increase over the prior six month period. Management remains committed to expense control with the goal of balancing strategic growth with long term operating efficiency.

We added \$190,000 to the allowance for loan losses, which was only \$10,000 more than the first six months of 2018. Asset quality remained stable.

Total assets as of June 30, 2019 stood at \$838,175,000. Total consolidated equity increased to \$75,636,000. A dividend for the second quarter of \$0.1125 per share was paid, which represented an increase of 4.65% over the second quarter of 2018.

During the second quarter Katahdin Bankshares Corp. completed the private placement of \$14.5 million in fixed rate senior notes priced at 5.375% due in June, 2026. This new debt is included in Other Liabilities. On July 15, 2019, the proceeds were utilized to redeem the entire \$10 million issuance of Preferred Stock Series D shares of Katahdin Bankshares Corp. while the balance will be used for general corporate purposes.

In addition, our Board of Directors approved a Stock Buyback Program. The Program authorizes the purchase of up to \$2,000,000 of the Company's outstanding shares of Common Stock through December 31, 2020. Shares may be repurchased by the Company or may be purchased by Katahdin Trust's Employee Stock Ownership Plan (ESOP). All such transactions may be initiated in the discretion of the Company or the ESOP, subject to market conditions and other considerations. The Board of Directors may, without prior notice, alter the terms of this Program at any time, including changing the announced share

authorization level or to extend or terminate this Stock Buyback Program. If you have interest in this program, please contact us.

In April, Katahdin Trust held a retirement dinner in honor of Robert "Bob" E. Anderson, who joined our Board of Directors in 1989. During that time Bob served on every board committee at one time or another. His knowledge and expertise has been invaluable and we thank him for his 30 years of service.

I am pleased to announce the following promotions. Susan L. McCarthy is now Vice President and Manager for Maine Financial Group (MFG), an affiliate located in Scarborough and specializing in equipment financing. Sue joined MFG in 1993 and is now responsible for business development and assisting customers in Maine and New Hampshire as well as management of day-to-day operations and oversight of sales and servicing of loan accounts.

Teresa Lincoln has been promoted to Executive Assistant. She joined Katahdin Trust in 1998 and served in the Credit Control Department for 21 years. In her new position as an officer of the Bank, Teresa is responsible for assisting the President & CEO, coordinating meetings and committee work for the Board of Directors and managing communications to Shareholders.

Teresa replaces Vicki Smith who has served Katahdin Trust for 22 years. Vicki joined the Bank in 1997 and continued to advance her leadership roles, ultimately being promoted to Senior Vice President, Marketing and Communications in 2009. She assumed the duties of Executive Assistant in 2014. We wish Vicki the best in her retirement.

It is my pleasure to welcome Karyn MacLeod as Vice President, Commercial Services Officer to our Scarborough office. She comes to Katahdin Trust with 22 years of banking experience and will be responsible for business lending and development.

This spring our employees were actively involved in Teach Children to Save Day and United Way of Aroostook's Summer Slide Reading program. In total we had 60 employees reach 1,400 children through these financial literacy efforts.

I couldn't be more proud to announce that employees of Katahdin Trust were the recipients of the 2019 United Way of Aroostook Volunteers of the Year Award. Employees were noted for more than 300 volunteer hours to a number of United Way of Aroostook events and service projects.

In June we held our company-wide employee appreciation event. More than 155 employees attended and we recognized twenty-four employees for milestone anniversaries ranging from five to forty years.

As always, please don't hesitate to contact us if you have questions regarding the Company or this report.

Sincerely,

Jon J. Prescott
President & CEO

1) Common equity per common share. Book Value shall be calculated using Adjusted Common Shares Outstanding period end.

2) Tangible common equity per common share. Tangible Book Value shall be calculated using Adjusted Common Shares Outstanding period end.

3) Weighted Average Common Shares Outstanding less weighted average unallocated ESOP shares. Used for calculating Earnings per Common Share.

4) Adjusted Common Shares Outstanding are Common Shares Outstanding period end less unallocated ESOP shares period end. Since unearned ESOP shares are deducted from capital, this adjustment deducts the unallocated shares from shares outstanding for calculating book value and tangible book value.

5) Non-Performing loans consist of non-accrual loans and restructured loans, where applicable. Inclusive of any guaranteed portion of non-accrual loans.

6) Non-Performing assets consist of non-accrual loans, restructured loans, and foreclosed assets, where applicable. Inclusive of any guaranteed portion of non-accrual loans.
