# DEAR FELLOW SHAREHOLDERS,

I am pleased to report that Katahdin Bankshares Corp. experienced a solid third quarter financially. We ended the guarter with a return on average assets of 1.07% and return on average common equity of 13.22%. This increased the respective year to date numbers to 0.91% and 11.04%. Net income totaled \$2,609,000, exceeding second quarter income by \$468,000 or 21.8% and was similar to the third guarter of 2021. Year to date, net income reached \$6,521,000, below 2021 by \$1,012,000.

Net interest income totaled \$8,419,000, compared to \$7,899,000 last year. Beneath these numbers, the third quarter of 2021 included \$754,000 of Paycheck Protection Program (PPP) fee income that was not repeated in 2022. An increasing net interest margin has partially offset the lost PPP revenue this year as interest rates have risen over the last six months.

Our expenses have increased when compared to last year. We've continued to experience the effects of inflation and the tight labor market, though a portion of the expense growth is attributable to the exciting relocation of our new Scarborough office this year. Non-interest expenses grew to \$6,330,000, an increase of 8.7% over last year. Year to date, total noninterest expenses reached \$18,676,000, exceeding last year by \$1,229,000 or 7.0%.

Due to continued excellent credit quality and a stable balance sheet, we have not added to the provision for loan loss in 2022. The allowance to period end loans totaled 1.07% and nonperforming loans to period end loans dropped to 0.30% as compared to 0.45% last year. We continue to monitor credit quality closely. Many observers fear a slowing economy as the Federal Reserve pushes to fight high inflation.

Turning to the balance sheet, total assets reached \$966.9 million. This exceeded last guarter by \$1.2 million and last year by \$21.4 million. The year over year asset growth is a result of an increased investment portfolio which totals \$144.8 million, over last year by \$30.7 million.

Total loans dropped by \$4.2 million to \$734.4 million. This was lower than last year by \$11.8 million. Looking closer, last vear included \$11.2 million of PPP loans. PPP loans have been paid down to only \$305,000 as of September 30, 2022. Adjusting for that reduction, commercial and consumer loans were down in the third quarter by \$3.8 million and under last year at this time by \$941,000. We continue to look for new business relationships within our markets and have not loosened credit standards during the last year.

Total deposits reached \$847.5 million, down by \$2.6 million from last quarter but over last year by \$24.1 million.

Shareholder's equity totaled \$76.3 million. While we've had

solid earnings growth, increases in interest rates have caused our investment portfolio to have a negative impact on equity year over year of \$16.9 million. The credit quality of our investments is solid. Tangible book value totaled \$21.59 as compared to \$23.28 last year, impacted by the valuation mentioned above. During the third quarter, the holding company paid a dividend of \$0.138 per share representing a 10.4% increase over 2021. Under the Stock Buyback Program, the holding company purchased 9,000 shares during the third quarter at an average price of \$24.59 per share.

In addition to our solid financial performance, we received two designations for our commitment to supporting our employees and providing a positive workplace experience. Making the list for five years in a row, we were named one of the 2022 Best Places to Work in Maine and, for the first time, a 2022 Best Place for Working Parents® for our family-friendly policies and practices.

To celebrate our recent accomplishments together and recognize years of service milestones, we held an employee appreciation dinner in each of our different market areas. I enjoyed attending each event this fall and getting to visit with our team members throughout the state.

I am delighted to congratulate Eunice McAfee, Pamela Ward, Natasha McCarthy, Katherine Hill, and Patricia Hersey on their recent professional accomplishments:

- Eunice has been promoted to Branch Manager and Community Banking Officer of our Hampden branch. She ioined the bank in 2012 and has worked in both Bangor area branch locations on Broadway and Springer Drive in roles including Customer Service Representative and Community Banker III. Eunice replaces Sunny Flannery, who retired in August after serving as the manager since the Hampden branch opened in 2011. I am thankful to have had Sunny on our team and wish her the best in retirement.
- Pam has more than 40 years of banking experience and has been promoted to Vice President, Credit Control. She joined us in 2011 as Assistant Vice President, Credit Control Officer and has played a vital role in our bankwide collection efforts.
- Natasha has joined our executive management team and was promoted to Executive Vice President. Chief Human Resources Officer. Natasha has worked in our HR department since joining the bank in 2009. She was recently named to the 2022 Independent Community Bankers of America's (ICBA) winners list of 40 Under 40: Emerging Community Bank Leaders. I appreciate all the hard work that Natasha gives to keep Katahdin Trust employees happy, healthy, and engaged at work.
